REQUEST FOR CORRECTED OFFICE ACTION  
AND RESETTING OF RESPONSE PERIOD AND SUMMARY  
OF SUBSTANCE OF TELEPHONE INTERVIEW

Assistant Commissioner of Patents  
Washington, DC 20231

Dear Sir:

During a telephone interview on July 3, 2008, the undersigned noted that Section 5, third to the last line, of the office action of June 20, 2008 referred to "Munehiro" whereas (1) there is no indication of the patent number or journal article or the like that is being referenced and (2) the heading of Section 5 of the office action asserts that the rejection is based on Hottinen and Nobukiyo.

The examiner indicated that the mention of Munehiro was a mistake and that page 6, line 5 should have referred to Nobukiyo.

The examiner indicated that she will issue a new office action to correct this error, while of course resetting the response period.

Respectfully submitted,

James E. Ledbetter
